DEPTFORD X

What is Deptford X?

Deptford X is London's longest running contemporary visual arts festival. Deptford X Fringe celebrates South East London's emerging art scene, with events taking place in a range of venues in and around Deptford. The festival takes the form of exhibitions, films, interventions and happenings of all varieties. For more information please visit: deptfordx.org

Who R we?

Art Hub Studios CIC is a not for profit studio group providing affordable studios, gallery and workshops to creatives at all stages of their career. We have sites in Deptford and Woolwich and have been running for over 30 years.

What we're looking 4?

For DX Fringe 2018, we're looking for a proposal from an **existing group of students/grads** for a group show in our gallery space. The group can be made up of students on any BA or MA art + design course. Including but not limited to fine art, graphic design, illustration, product design, photography or a mixture.

We're looking for well thought out proposals with a central theme that links the works. This theme could be as broad or as narrow as you like and the works could be tightly or loosely connected to it. We're looking for work that gels together, and for a group of students that are keen to work together to curate the show, not just rock up with the work and stick it on the wall. We're looking for students who want to engage with the space - the space is not a white cube and there are plenty of opportunities to install things in innovative ways. We're also open to proposals of more event/project based work.

We're looking for something that excites us, not necessarily something that's really polished or straight out of a degree show. The space is yours make it exciting for visitors.

DEPTFORD X

What R we offering?

We're offering a **completely free space**, with an exhibition that will be listed as part of Deptford X Fringe. We're offering this space as a chance to experiment, play and have fun.

You'll get the space for a week, to curate, run and deinstall your own show.

We'll be promoting the show across our own channels and will provide a small budget for printing promo material. You'll also feature on the DX website and Fringe promo material.

What u need 2 Know

We ask for a £200 refundable deposit. You get this back as long as you return the space to how you found it and don't steal the drills.

It's up to you to design the promo material in-line with our simple guidelines (put our logo on it and make sure it prints up to A1).

Groups have to manage their own bar during the PV, and organise someone to invigilate the show when it is open (timings and dates tbc). Deptford X runs this year from

21 - 30 SEPTEMBER 2018

If you're interested, please send us the following in a PDF (10MB MAX) format. Keep it simple - let your work and ideas speak for themselves:

- Short statement about the show you're proposing, around 200-400 words.
- Names and links to online presence of those involved
- Some images of work by all artists, preferably recent installation shots.

Please note - **the call is for a pre-formed group of students who want to do a show together**, not an open call for individual works to make up a group show.

Please email proposals to Luke at: arthubteam@gmail.com with the subject 'Deptford X 2018 Submission'.
